

Electronic Giving Is Now Available

Thank you for your interest in electronic donations. Sugar River Bank is bringing the ability of making electronic contributions to the parishioners of St. Francis of Assisi. This solution is not meant to replace the current methods of collection, but instead to provide an additional alternative for individuals who might prefer to make their contribution electronically.

How does E-Donations work?

This secure program works directly with your credit union or bank, in the same way as other electronic funds transfer systems you may already conduct (such as utility bills or your mortgage payment). All transactions are done electronically, debiting your bank account or credit card automatically for the amount to which you have agreed. It is a hassle-free, simple solution for today's busy families. By clicking the link below, you will be directed to a page where you may register as a new user to establish your electronic donations account. You will then be able to log in to make a one-time payment or recurring donations to St. Francis of Assisi parish. Choose the type of donation or payment from the list shown (e.g. building, DSA, envelope, etc.)

Can any additional funds be taken from my account other than what I have authorized?

No! The Electronic Donations program is strictly regulated, and only you can designate the amount of money that may be debited on a weekly, bi-weekly or monthly basis. We will not disclose any non-public personal information except as required by law. We maintain physical, electronic and procedural safeguards that comply with federal standards to safeguard your information.

When do the transactions take place?

You are able to set up your transactions to be debited on any day of the month. You determine which day is best for you. You may also opt to set up debits to take place weekly, bi-weekly or monthly.

Can I stop, increase or decrease my payment at anytime?

Yes, once you have set up your electronic donations account, you have the freedom to set up, modify or cancel transactions 365 days a year, 24 hours a day.

To make an electronic donation, click on the link below.
